

**REMEMBER: QC is now a Paypal Only shop. This applies to our auctions as well. You can only pay through paypal!**

*QC is having an auction! To view the auction items, click [here](https://www.32auctions.com/QC2020FirstAuction) (or copy and paste the url into your address bar in your browser):*

*and click the green button that says, "View Items."*

*The auction will run from Friday, March 28th, 9am Eastern Standard Time, until Sunday, March 29th, 10pm, EST.*

#### **BIDDING:**

*Proxy Bids: We are set up such that you can enter a proxy bid, which works like Ebay does, where the bid will be incremented, but won't go to the maximum number you entered unless someone is bidding against you. For example, the screen might say that the current bid is \$2, and you may enter \$10, but the new high bid will be shown as only \$3. If no one else bids, you win for \$3. If someone else bids, the system will bid for you, up to the \$10 maximum bid that you entered.*

*Buy-It-Now: We do not have Buy-It-Now items in this auction.*

#### **PAYMENTS:**

*When the auction is over, you will get a note from 32auctions.com letting you know whether or not you have won an item. From that email, you can click to view the invoice, and from there, you can pay the invoice through paypal. We have set up the auction site to calculate shipping costs. If something goes awry and you feel you have been overcharged for shipping, let us know. If you were, in fact, significantly overcharged for shipping (we're not going to worry about a couple of dollars), we'll refund the difference. If you've been undercharged for shipping, that's on us and we'll ship anyway!*

#### **REGISTRATION:**

*To bid, you must be logged in on the auction site. If you do not already have an account on the auction site, you will need to create a login account. To do this, click the link to the auction above, then click the Login command on the top menu bar, and then click the "Create an account now" link. Enter the email address that you want to use for emails about the auctions, enter your first and last name, and then enter a bidder ID. This bidder ID can be anything you want it to be (provided no one else on the site is already using the same one.) If you like to be anonymous when bidding, make sure you choose an ID that no one will recognize...so don't use your name or your email address. Enter a password and confirm the*

*If you already have an account on the auction site, you do not have to go through these steps again. You will just login using your email address and the password you used when you registered anytime you choose to access one of our auctions.*
