8. Prior to posting items on the QC website you will receive an email asking you to check your items for accuracy. Please do so in the time frame requested. QC will address any changes that are required due to mistakes on our part. We can also address small (e.g., typographical) errors in the information that was submitted in your application but no major changes can be made once the website is under review. No changes at all will be made to the RT listings once the RTs have gone live. If there are discrepancies, it will be your responsibility to communicate changes to potential buyers.
9. It is your responsibility to notify purchasers if a limited availability is sold out. QC will not update listings as items are sold out.
10. We reserve the right to refuse and return any roundtable presented for publication on The QC website.

If you have any questions please contact Denise Osborn at makerofminis@gmail.com
Thank you and we wish you every success selling your Roundtable items on The Quarter Connection!
