

QC Mini Weekend Roundtable Application

Instructions

1. Roundtable offerings **MUST** be quarter scale. Email a copy of your information and a digital picture in .jpg format to BOTH Janet Smith (desertminis@gmail.com) and Denise Osborn (makerofminis@gmail.com). Please send ONE .jpg file **per item**. If you need to send two photos to show a front and back or different options available, you may do so, but they will be smaller when displayed on the website than if you just have one.
2. Send a separate email, with attached picture, for each item offered.
3. Item **must** be quarter scale – **NO** exceptions. **MAXIMUM PRICE IS \$7.50/kit**.
4. Submit one form for each item offered. Individuals may offer up to three items. Miniature vendors may offer up to three items per company (i.e. a husband and wife team may only send three, not three per person.)
5. No payment or samples are required for our Mini Weekend RT vendors.
6. Please submit your workshop information using the following format. I will cut and paste this block of text and include it on the QC Mini Weekend Website. Make sure you leave the headings in place and enter your information as you want it to appear on the website.
