

QC Mini Weekend 2017 Sales Room Application

Instructions

There are three options for you.

Option 1: You may offer a special sale for our convention participants to buy directly from your website. This might include a discount coupon, free shipping, whatever you want!

Option 2: You may offer specific items for sale. If you decide to do this, it would be nice if those items were associated with the theme of the convention. These may be kits or finished products. They **MUST** be quarter scale. You may offer no more than 4 individual items on special. **PLEASE NOTE:** You may not change your offerings after the sales room is open. If you sell out, notify [Janet Smith](mailto:Janet.Smith@desertminis.com) at desertminis@gmail.com and we can mark your item as sold out, but you cannot substitute a new item.

Option 3: You may do both option 1 and option 2.

1. Fill in the information below.
2. Sales room listings must be submitted in a format that is suitable for cutting and pasting information into a webpage. You can submit a .doc file or can include this information in an email, but you cannot hand-write the information on a form and submit that.
3. Listings are due to [Janet Smith](mailto:Janet.Smith@desertminis.com) at desertminis@gmail.com by October 1st.
4. You may choose to send a photo to be used at the top of your sales table listing. You may want to include your logo, business card or a photo of you. Photos must be sent along with the application and must be sent as .jpg files and named in an identifiable way (e.g. DesertMinisLogo.jpg).
5. If you are offering specific items for sale, send one photo (two if you need to show front and back) of each item. Again, these must be sent as high resolution .jpg files and named in an identifiable way (e.g. DesertMinisCake.jpg)
6. Orders will be placed directly with you by the convention participants. It is your responsibility to reply to orders and to fulfill orders in a timely fashion.
