

2022 QC SWAP RULES NAME DAY DISPLAY BOX ITEMS

- You send **11 identical items**, and will get 10 different items back. The 1 additional item will be used for QC fundraising.
- You DO need to sign up for the swap by **August 1st** After signup registration closes you will receive a paypal invoice for \$5.00. This will help offset the cost of the first class shipping for the swaps and also allow QC to easily print labels for return shipping of the swaps.
- Mail your swaps to Fern Rouleau:
 - **Fern Rouleau**
 - **4219 Cascade Falls Dr.**
 - **Sarasota, FL 34243**

The theme for this swap is **Items for your NAME Display**, so plan your swaps accordingly. The size of the openings in the display is 1-1/4" wide x 2" high x 1-1/2" deep, so you need to make your items to fit inside these spaces. Other than the size, the sky is the limit for what you want to make. A nice idea would be an item representing one of the NAME DAY projects over the years such as the twin beds, booth, tiki bar, craft room etc.

- All swaps are to be of a completely finished item. **UNFINISHED KITS WILL NOT BE ACCEPTED - PERIOD! PRINTIES WILL NOT BE ACCEPTED** (unless as a part of the swap - say framed prints, or printies that have been made as a part of a larger item). **All unacceptable items will be returned to the sender.**
- **Think small.** Your 11 swaps should fit into a small box.
- **Pack your swaps individually** in a small protective container (small pill container, bubble wrap and baggies, small plastic box.) You want the swap you spent so much time making to arrive unbroken.
- I strongly encourage you **NOT** to use too much tape in your packaging as it tends to come undone and then stick everything except what you wanted it to.
- **Include your name and email address on each item** so that the receiver will know who to thank ☺.
- I must have your swaps in hand (not in the mail) by **September 1st- Period!** All swaps that arrive after that date will be returned to the sender and you will lose your \$5.00
- Please feel free to email me with any additional questions:
