

## Instructions for participating in the “Thankful for Minis” sales event on QC

1. Send an email to Janet Smith ([desertminis@gmail.com](mailto:desertminis@gmail.com)) AND Laura Miller ([minisnmore@yahoo.com](mailto:minisnmore@yahoo.com)) to let us know that you want to participate. This way we can plan a bit for how many people we might have taking us up on this.
2. Decide what kind of page you want to have.
  - a. Want just a page with a link to your website and a discount coupon for buyers? Send an email to both of us with your name, your company name, your website address, the information about the discount coupon and your email address and we’ll make a page something like this for you:

“Your Company Name” is pleased to offer you 10% off any item on our website during the Thankful for Minis Sale. Just enter the code “code123” when you check out!

- b. Want a page with an ad that you design? Send an email to both of us with your name, your company name, your website address and your email address (if you don’t have a website, that’s okay!) and your ad as a .jpg file. We’ll make a page something like this for you:

**You can design your own ad! Include product pics, your logo or business card, information about your specials...whatever you want! Send it as a .jpg file and I'll post it on your page.**

- c. Want a page with some specific items to sell (this is especially good if you make one of a kind items or if you're downsizing), then send an email to both of us with your name, your company name, your website address and your email address (or whatever of those you have) and then send a SEPARATE email for each specific item. Those separate emails need to

include a picture of the item as well as any text you want included, exactly as you want it included. You might include a description, price, dimensions, shipping costs, what kinds of payments you accept, etc. We'll make a page something like this for you:
