

## Decorative Wall Shelf

### **You will need:**

Very Thin wood or Veneer

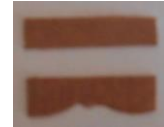

Decorative scissors

Gel pens

Decals

Accessories

1. Cut 2 pcs of wood, one measuring  $\frac{3}{16}$ " wide x  $\frac{3}{4}$ " long, the other  $\frac{1}{4}$ " wide x  $\frac{3}{4}$ " long.

2. Use the decorative scissors to cut the long edge on the widest piece.
3. Glue the shelf, long narrow piece to the top edge of the decorative piece. Let Dry.

4. Paint or stain your shelf. Let dry.
5. Optional: Add decorative painting and or a decal to your shelf using a gel pen.

6. Add accessories, such as plates, beads, plants or flowers. Let Dry.
7. Your decorative shelf is now ready to hang in its new home. Enjoy!
