QC is having an auction! To view the auction items, click here (or copy and paste the url into your address bar in your browser):

<https://www.32auctions.com/2023MiniWeekendEvent>

And click the green button that says, "View All Items."

The auction will run from Friday, September 8th, 2023 12pm Eastern Standard Time, until Sunday, September 10th, 2023 9pm, EST.

*****Our UK members can now participate !**

BIDDING:

Proxy Bids: We are set up such that you can enter a proxy bid, which works like Ebay does, where the bid will be incremented, but won't go to the maximum number you entered unless someone is bidding against you. For example, the screen might say that the current bid is \$2, and you may enter \$10, but the new high bid will be shown as only \$2.50. If no one else bids, you win for \$2.50. If someone else bids, the system will bid for you, up to the \$10 maximum bid that you entered.

Buy-It-Now: For some items (typically those that would have been offered as Grass Roots items in the past), Buy It Now is an option. You can still bid on these items, if you're hoping to get them for less than the Buy It Now price, or you can grab it immediately by opting to pay the Buy It Now price. Be advised...the Buy It Now prices will drop throughout the auction! So keep checking back and you might get a real bargain!

PAYMENTS:

Once the auction is complete, you will receive an invoice from 32auctions.com that includes the shipping costs. If the estimated cost is significantly higher than the actual cost for shipping, QC will refund the difference. If you've been undercharged for shipping, that's on us and we'll ship anyway

QC only accept payments through PayPal! Please do not bid if you are not willing to pay for your items through PayPal!

REGISTRATION:

To bid, you must be logged in on the auction site. If you do not already have an account on the auction site, you will need to create a login account. To do this, click the link to the auction above, then click the Login command on the top menu bar, and then click

the "Create an account now" link. Enter the email address that you want to use for emails about the auctions, enter your first and last name, and then enter a bidder ID. This bidder ID can be anything you want it to be (provided no one else on the site is already using the same one.) If you like to be anonymous when bidding, make sure you choose an ID that no one will recognize...so don't use your name or your email address. Enter a password and confirm the password. Click the "Create Account" button and then check your email. You will get a message from the auction site with a link. Click on that link to confirm your registration. Then you are free to bid on any of the QC items! Happy Bidding!

If you already have an account on the auction site, you do not have to go through these steps again. You will just login using your email address and the password you used when you registered anytime you choose to access one of our auctions.
