

[QC Online Mini Workshop Application Procedure](#)

Mini Workshops are not offered on any particular schedule. We will announce upcoming offerings through groups.io when we plan for them. Several mini workshops are offered at a single time, so yours will be one of many offered simultaneously on the website.

PLEASE NOTE: The cost of a Mini Workshop cannot exceed \$25, excluding shipping.

Procedure:

1. Mini-Workshop offerings **MUST** be quarter scale projects or teach a skill that is applicable to quarter scale projects.
2. Mini-Workshop information must be submitted in a format that is suitable for cutting and pasting information into a webpage. You can submit a .doc file or can include this information in an email, but you cannot hand-write the information on a form and submit that.
3. Mini-Workshop applications must include a high resolution photograph of the finished product. You may include up to 4 photographs total to show different views of the project. Photos must be sent as .jpg files and named in an identifiable way (e.g. DesertMinisFront.jpg, DesertMinisBack.jpg)
4. There is no charge for offering a workshop on QC. However, donations of gift certificates for your website, to give out as future prizes, are always appreciated. To donate a gift certificate, please contact Lesia Lennex at llenex2018@gmail.com
5. Listings are to be sent to **Liz West** at liz@taffyandme.com and **Janet Smith** at desertminis@gmail.com.
6. If you are interested in offering a Q&A session or even a full class on ZOOM for your students, you are welcome to use your own Zoom account or, if available, QC's Zoom account. Please let Janet know if you require the use of the QC Zoom account and she will work with you to schedule a time. This is a complimentary service.
7. Prior to the workshop opening, you will receive a link to review the information posted about your workshop. It is your responsibility to review this information prior to the workshop going live.

8. Please submit your workshop information using the following format. We will cut and paste this block of text and include it on the QC Website. Make sure you leave the headings in place and enter your information as you want it to appear on the website. And remove the "helper text" such as "Enter Your Workshop Title Here" as you go so all that is left are the headers and your workshop information. ***Please DO NOT double space the lines or add tabs or format this block in any way.***
