

## QC Online Workshop Application Procedure

### Instructions

1. Workshop offerings **MUST** be quarter scale projects or teach a skill that is applicable to quarter scale projects.
2. All workshop kits **MUST** contain written instructions. Zoom classes are not considered an acceptable substitute for written directions.
3. Workshop information must be submitted in a format that is suitable for cutting and pasting information into a webpage. You can submit a .doc file or can include this information in an email, but you cannot hand-write the information on a form and submit that.
4. Workshop applications must include a high resolution photograph of the finished product. You may include up to 4 photographs total to show different views of the project. Photos must be sent as .jpg files and named in an identifiable way (e.g. CottageFront.jpg, CottageBack.jpg)
5. There is no charge for offering a workshop on QC. However, donations of gift certificates for your website, kits, or finished items, to give out as future prizes, are greatly appreciated. To make a donation, please contact Cheryl Polito at [newmexicolady1@gmail.com](mailto:newmexicolady1@gmail.com)
6. Listing applications are to be sent to Liz West at [liz@taffyandme.com](mailto:liz@taffyandme.com) and Kathy Abdinoor at [kaabdino@yahoo.com](mailto:kaabdino@yahoo.com). PLEASE INCLUDE the month(s) that you would like to offer your workshop. We will do our best to accommodate you but we will need to work around any workshops already on the schedule.
7. We encourage you to provide a Q&A session or even a full class on ZOOM for your students (which most people seem to appreciate), you are welcome to use your own Zoom account or, if available, QC's Zoom account. Please let Kathy know if you require the use of the QC Zoom account and she will work with you to schedule a time. This is a complimentary service.
8. The timing schedule for offering workshops is as follows:
  - 25 days prior to workshop opening: Submit photos of your workshop if you want to have a preview page posted on the website and announced on the Group, to encourage participation.
  - 10 days prior to workshop opening: Submit all final photos and information about the workshop.
  - 3-5 days prior to workshop opening: You will receive a link to review the information posted about your workshop. It is your responsibility to review this information prior to the workshop going live.
  - Day 1-7 of the workshop offering: You will accept orders directly from students for your workshop. QC will do advertising on your behalf through the Groups.io group.
